SAFEGUARDING IMPARTIALITY POLICY

- a) Ensuring integrity at all times in its validation and Verification/certification activities, and works in a credible, independent, non-discriminatory and transparent manner.
- b) Acting impartially and avoid any conflict of interest that may compromise its ability to make impartial decisions.
- c) Ensuring that there are no constraints that might influence its judgment or endanger its independence of judgment in relation to its validation and/or verification/certification activities, inter alia, by having sufficient human resources, either through internal or external resources, and financial resources and stability.
- d) Ensuring that no conflict of interest exists between its validation and/or verification/certification functions and the functions of other parts of the organization.
- e) Ensuring that no conflict of interest exists between its validation and/or verification/certification functions and the functions of the related bodies.
- f) Ensuring that its personnel (internal and external) have no relationship that creates threats to its impartiality
